1. Purpose. To approve subject modification of the title and mission of Commander, U.S. Maritime Defense Zone Pacific (COMUSMARDEZPAC), under the administrative command of the Chief of Naval Operations per reference (a).

2. Background and Mission. In accordance with a Department of Transportation and Department of Navy Memorandum of Agreement (MOA) of 1983, COMUSMARDEZPAC, a DOD command with a United States Coast Guard (USCG) flag officer, was established under the Pacific Fleet Commander during the Cold War as a joint-integrated USN-USCG organization, with a mission to provide port security, harbor defense, and coastal defense. During 1994, an amendment to the MOA added an expeditionary role to the MARDEZPAC mission to plan, exercise, and execute naval coastal warfare in support of U.S. Pacific Command Operations Plans (USPACOM OPLANS). Following the events of September 11, 2001 and the standup of USNORTHCOM/USNAVNORTH, MARDEZPAC mission changed to support the time critical requirements of homeland defense and homeland security.

3. Organizational Changes. Change the title and mission of Commander, U.S. Maritime Defense Zone Pacific to Officer in Charge, U.S. Pacific Fleet Maritime Homeland Defense Detachment, U.S. Coast Guard Pacific Area (CPF MHLDT DET COMPACAREA). The following applies:
